SPRING HAS SPRUNG AT EL JEBEL

POTENTATE'S MESSAGE

**Ken
Jones**

Nobles, Ladies, and Friends of El Jebel Shrine:

Happy Easter and Happy Passover

What a great March we had at Shrine events! Our "All Aboard" attitude was truly exhibited.

We started the month with Nobles rising to the occasion, on very short notice, to represent El Jebel and Shriner's Childrens at Denver I-Hop stores. The next weekend was the St. Patrick's Day parade; the turnout and Unit participation was great. El Jebel was well represented thanks to your participation. A tasty variety of homemade pies was enjoyed by those attending our Monday Pi Social. The Friday Social Hour was full of fellowship and refreshments. This event continues to please the attendees; join us for future socials. The month was rounded out by attending El Mejdell's Installation of officers. Congratulations to Sarah Dolliver, 2022 Queen.

A **BIG** tip of the Fez to all who participated in our March events. You made them a huge success!

April will also be an event-filled month. Starting with our Spring Ceremonial on the 9th and ending with the Wedding Party Ball on the 30th. Don't forget our Pote's trip to Canyon City; 22nd thru 24th (there is still time to sign up). Looking forward to sharing friendship and fun at our future events.

Upcoming Events:

April 9 – El Jebel Ceremonial. Get your petitions in! (This is a public event; bring your Ladies and family)

April 11 – Shrine Stated Meeting and Ladies program

April 17 – Knights Templar Sunrise Service, 6:30 AM Denver Consistory

April 22 – Social Happy Hour in the Shrine Oasis

April 22 thru 24 – Pote's Royal Gorge Trip

April 30 – Wedding Party Ball

Along with Lady Marlene, we wish you a wonderful April. Celebrate the good things!

Yours In The Faith,

MARCH, A GREAT MONTH for EL JEBEL

It is great to see so many of our units and clubs returning to a multitude of activities and to have El Jebel meetings return to their former glory. Case in point, our March Family Meeting. The meeting room was filled with Shriners and family members greeting each other and sharing stories, jokes, and experiences with each other. The actual meeting started with "Thing 1 and Thing 2" (IS Bobby Marner and IS Joe Kent) having everyone laughing with them as they made introductions and announcements in a hilarious way, repeatedly. You can't get a better act than that!

Our Potentate, IS Ken Jones, and his team, especially Chief Aide Richard Heath and his Lady Patrice, organized a great event to celebrate St. Patrick's Day with everyone enjoying the "Wearin' of the Green." I feel sure you will learn more about the festivities when you read other Divan members articles, but I must comment on the PIES! I have never seen so many different and delicious pies. I admit I tried two and then realized I had to stop, although I wanted to try each one. If you weren't there, you missed a real treat. If you were there, I feel sure you agree.

The 50/50 has returned to our meetings and everyone gave a resounding applause when Patty Dunsmore won the prize. This is another great method for raising needed funds while sharing with our members and guests.

April brings to us our Potentates Spring Trip, 22-24 April to the Royal Gorge. The highlight is the Royal Gorge Train Excursion in the Vista Car providing the best views throughout the journey. Also scheduled is an Abby Monastery tour and wine tasting. You may also take an excursion to the Royal Gorge and walk across the famous wooden bridge or ride the gondola. Souvenirs are also plentiful. This is a wonderful opportunity so make your reservation by contacting the office no later than the first of April. Also, the Fall Potentate's Trip to Glenwood Springs will be another blast. Piqued your interest, you bet. Keep watching for details. It will be another great activity, so make sure you will be a part of it. Our Spring Ceremonial will be 8-9 April at the Temple. We have three candidates as of 16 March and are looking for you to make that number grow significantly soon! Our membership has dropped below 800. (As of 19 March: 757 Regular, 38 Associates, Total 795.) This is the way you can support your Shrine, by bringing in new members. There are Masons in your Lodge that would be glad to join if you would only ask. Contact our brothers and have them join in the fun of being a Shriner like you did in the past.

Doug Kelley, High Priest & Prophet, and his team are

Working diligently to interest Masons in joining the Shrine, El Jebel. If you have any ideas for increasing membership, please contact Doug. He would truly enjoy hearing from you. Our Nuts Sales Program continues. This is another great way to support your Temple. At no additional cost to you, you can create income for your Temple while enjoying a tasty product. Call the office for information and an order form. This is a great deal.

Don't forget our fall Sportsmen's Raffle. Throughout the months, you will read and hear about the Raffle. You can make a big, positive contribution to your Temple by joining the "team" and actively supporting the Raffle.

Jean and I attended the Shrine Recorders' Association Seminar in Tampa, Florida on 25-29 March and I will share the results of that with you in the May Article as each month's articles are submitted no later than the 20th of each month to insure timely publication.

Read your Red Fez every month. There you will learn about every event and can join in as an active El Jebel member. Talk with other nobles and ladies about El Jebel's future. Enjoy your El Jebel membership to the fullest.

PARADE CORNER

BY MIKE TERRY, MARSHAL

Thanks to all who came out for our first parade of 2022 – the Denver St Patrick's Day Parade on March 12th. The crowds were very large and appreciative and everyone seemed to have a good time in spite of the cold wind blowing down Blake Street. El Jebel had 10 units and over 50 Nobles and their Ladies participate in the parade along with many family members and friends who watched the parade from the sidelines. A tip of the hat to our announcer, John Titterington, for a job well done as well as special thanks to the Nobles and Ladies who volunteered their time to be Parade Marshals.

Mark your calendars for our next parade which will be the annual Commerce City Memorial Day Parade on Monday, May 30th. This parade honors not only those who have made the ultimate sacrifice in service to our nation but local military veterans who have and continue to serve our country. The parade will start at 9:30 AM. More information will be sent out as the parade gets closer.

A message from the Chief Rabban

Happy Spring to everyone!

Here is a fun fact to ponder: It has snowed every week except one since January 1st. Hopefully every one has survived this cold, cold winter is are staying warm and healthy. Lady Kim and I are battling muddy conditions out at the ranch which is making life challenging – to say the least.

With the adventures and restrictions of the last two years coming to an end (or at least slowing down and relaxing), El Jebel Shrine is back to meeting regularly. We have a lot of really fun events scheduled in the next several months. Please read the calendar carefully and consider coming out and participating. We would love to see everyone come out for at least one (if not all) of these events and share in the fun and fraternity.

Our fundraising efforts are continuing. We still have bottle tags and pecans available. Please contact the Shrine office to purchase your tags or pecans for your next special occasion. Preparations for our 2022 Sportsmen's Raffle are continuing and we are still expecting to have tickets available sometime in April. If you have any fundraising ideas, please do not hesitate to contact me to discuss them.

Everyone please stay safe and happy! Lady Kim and I hope to see you all at a Shrine gathering in the near future. Get Aboard!

Yours in the faith,
Chief Rabban Grady Carter

DIDJA KNOW?

BY EJGW

Out on the northeastern plains of our fair state you will find a group of hardy men who withstand the wind and weather (hot and windy in the summer, cold and windy in the winter) and still manage to do good for their community, as well as El Jebel. They even have a club out there – the Northeast Colorado Shrine Club. These Nobles put on a (Robbie) Burns dinner every January (or sometimes in early February) and give some of us a bad time for wearing kilts – as well as a good meal. The one handing out the most abuse (in the most friendly manner) was hard to corner for our little interview. Finally, after six months, he filled out the questionnaire so his exploits could be set to words.

Cecil Souders is a life-long resident of Sterling, having come into this world some seventy-two years ago this month (April). He is one of the majority of Americans who still live within fifty miles of his birthplace. After graduating from Sterling High School, he attended Northeast Junior College, majoring in auto technology. He married Helen Hicks 51 years ago and they had two children, Kendra and Scott. Sadly, Scott was killed in an auto accident when he was just eighteen. However, in a sense he lived on – he was an organ donor. His heart enabled another man to live for twenty-six more years. Helen and Cecil are also the proud grandparents of four and great-grandparents of three more.

Cecil's father-in-law was instrumental in starting his Masonic journey, and it has been a most complete one. He is a Past Master of Sterling #54, Thrice Illustrious Master, Past High Commander, active in Scottish Rite, and has held all the offices in the NECSC. He even found time to join the BPOE (local Elks club). With 22 years as a Shriner, he is proud of the efforts of all the members of the local club, which has raised many a dollar for the hospital through their annual Fourth of July fireworks sales. They used to put up a tent and can regale you with stories of the adventures experienced when sleeping overnight to "guard" their "product."

While he didn't mention this as a memorable event, it sums up his outlook on life: When asked (in the questionnaire) "his heritage," he simply replied "American." A single word that speaks volumes.

In order to provide for his family (and pay dues to his many organizations) Cecil put in 43 years with Sterling Redi-Mix. Somehow, he also found enough time to become a Captain in the Logan County Sheriff's Posse and the Firearms Instructor for Sterling Rifle Club. Here he taught kids and women gun safety as well as how to shoot. He is justifiably proud of the fact that, even today, he receives "thank you's" from past students for his efforts. He is still very active, enjoying hunting, fishing, repairing things, and spending time with his family. When asked if he had any childhood fantasies, such as becoming an astronaut, he replied, "No, I like to keep my feet on the ground." But didja know that Cecil once aspired to be a cook? Seems like back when he was a strapping lad of fifteen, he decided he would bake a cherry pie. So, he hauled out his dad's recipe book and proceeded to start on the crust. After he had poured out two pounds of salt and ten pounds of flour, he asked his mom if she had fifty more pounds. Guess she got a little upset and asked if Cecil could read. And where was he planning

on getting fifty gallons of cherries? And 250 pie tins? His "recipe" yielded 250 cherry pies. It was his dad's Navy cookbook! Dear ole dad had been a cook aboard an aircraft carrier. Wonder where Cecil planned on finding an oven that big!?

SANDBLASTERS

BY LARRY BANGERT

Sandblasters and Ladies

As we are getting somewhat closer to Spring after a hard winter, I am sure we are all anxious to dust off our clubs and get out on the Links. I am sure that our golf chairman, Jim Teagarden is lining up some great golf courses for this season. We may have some indications at our next meeting.

It will not be long until our Snowbirds will be returning to enjoy a fun summer outing. They will be all practiced up and will have to give our locals some strokes.

According to our president, we could have one or two overnight summer outings. We will all look forward to that.

As most of our members know, we are learning a lot about some of our members. At each meeting, we have a member or associate tell us about themselves such as a life story. Thus far we have had Claude Akridge, Jack Kimpton, and Jim Thoeming tell us about themselves. This month, we will have Randy Penn, Past president give us his life story. We invite all guests and ladies to attend our monthly meetings.

The Sandblasters meet on the last Wednesday of each month at 11:30AM at the Golden Corral Restaurant located at S. Santa Fe Drive and W. Hampden Ave.

El Jebel - "The Mountain"

TALL, stately, majestic, near Inspiration Point facing the Rocky Mountains stands El Jebel "The Mountain." What a name! What a history behind that name! "Give us men to match our mountains," once said a seer. The men of El Jebel, the "Mountain" men of the Rockies are the answer.

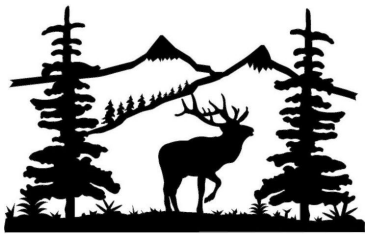

They talk of the sands of the desert; their names are Oriental, Arabic, Egyptian; but their DEEDS are typical of hardy mountain men; men who see but one clear path ahead of them and who follow that path.

No more appropriate name could have been chosen for this beautiful temple, built on the very backbone of the continent. "The Mountain," constructed in the very heart of the mountains.

The Nobles of the Mystic Shrine of El Jebel have satisfied the longing, deep in the heart of every human being, to go back to Nature. A few miles from one of the most modern cities in the world, and you are in the wilderness. At the very edge of that city, Denver, "Queen City of the Plains," stands El Jebel.

What an inspiration, a divine inspiration, must have come to those who conceived the idea! For right in the center of the "wild and wooly West," the country made famous by the hardy pio-neers like Buffalo Bill, the country famed in song and story, "Out Where the West Begins," out there where the handclasp is a little warmer that's where El Jebel is.

EL JEBEL MOTOR CORPS

(Cooler Nobles, Jeep Patrol, Keystone Kops, Motor Patrol, Vintage Iron Patrol)

What a great time to be a Shriner! St. Patrick's Day Parade was the place to be, and helping Doc Powell celebrate his "Grand Marshall" honor as he rolled down the "green-lined" streets of Denver was awesome. The Motor Corps was well represented with "Cooler Nobles," the "Firetruck," "Larry" the mini-18-wheeler, and numerous (and full) "V.I.P" Cars. This proved that together we gather and separately we dwindle.

On March 22nd we held our monthly meeting and with great pride eighteen assembled to have "Fun and Fellowship." The food was great and the conversations at the tables were reminiscent of times gone by. The "Did you see's" and the "Remember when's" were in ample form. Harry "Hot Laps" gave us a detailed report of vehicle condition and work needed. To say the least, the next sixty days are going to be busy for repairs and up-keep. If you want to help with the aforementioned repairs call (303) 514-2102 and talk with Bobby. As a unit, we internally set our line-up and will be getting that to Divan Marshall Mike Terry (this should help him with "Parade Day" line up).

Secretary Brett "Baby Boy" is creating a roster for our members. This includes things like birthdays and anniversaries. He may be reaching out to you soon to complete his fact-finding mission. Please take a minute and help him complete this important undertaking. You can contact him directly at (303) 217-6107.

The 2022 annual dues are \$25.00 and this includes your Lady. Please reach out to Treasurer Rich Silver at (303) 478-0821 to make your payment (cash or check only at this time). We are looking into membership cards currently and a decision should be made soon.

The Motor Corps welcomed another new member, Duane Hiebert, to its members list. Duane has been a long-time Shriner and now seeks to return to the "fun" that is parading and socials. Duane is no stranger to parading and is a Past T-Noble President. Welcome back and welcome to the Motor Corps, amigo. This makes 7 new members in 2 months – WOW!

Several of our members are putting together up-coming socials and these will be announced very soon. Thanks to all who stepped up to handle these tasks.

Our new "Sickness and Distress" contact person is Lady Lisa and she can be reached at (720) 338-8251. Keep this in mind as we really want to let our membership know "We Care." Remember, a card or call can really make someone's day.

Our Divan Rep. Hoss reminded us that April 9th is the El Jebel Ceremonial, so get those petitions in! As our good friend Doc always says, "What time is it? It's NOW!" Plan on attending and welcoming in the New Nobles and their families.

Our next "Gathering" will be at the Potentate's "Wedding Party" on April 30th. This is a social gathering so no business will be conducted. Reservations are a must so come out and party with us. Details of the "Wedding Party" are in the Red Fez and will also be coming out via Mail Chimp.

Our next meeting will be on May 24th (the 4th Tuesday of the month) at 6pm. Dinner first with meeting to follow at Pietra's Pizzeria and Italian Restaurant (west room) located at 9045 W. 44th Ave, Wheat Ridge CO 80033, (303) 421-4100. Nobles, Ladies, and any interested future members are welcome to attend. Call (303) 514-2102 by May 23rd to confirm your attendance. (We need to let the restaurant know a head-count). Bring your ideas, solutions, and light-hearted fun!

Remember if we create fun, fellowship will always follow.

PIPE BAND BY KENT BURNS

It seems we are finally – albeit slowly – getting back to some form of “normal.” This last month we had two concerts with the Rocky Mountain Brassworks that worked out very well. Gave us our “brass fix” while at the same time allowing us to get rid of the “butterflies” that come with that first public performance. And we were finally able to trek to Georgetown to raise a brother on the Third Degree. Well, these really weren’t our “first” performance(s), but after so long not doing much, it almost seemed like it.

We are not the only ones “getting back to normal.” The CSP has two up-coming graduating classes – the first one will be the first week in April and the second will be the first week in June. We will be leading these classes “down the aisle” as usual. For the last few years, the boys in blue have had very small classes, some due to our recent “Chinese visitor,” some due to the strained social climate of late. And they usually have two classes, the first in May/June and the other in the fall. These two almost-concurrent classes will each be twice as large at some of late. And there is planned the usual class in the fall. Certainly good news for all those who will be taking to our highways this summer (or later).

These are not the only harbingers of normalcy for the Band. Greeley North High School has invited us to lead their graduation class in May, and the Tribute Gardens are “re-upping” their annual ceremony to dedicate bricks commemorating our veteran heroes, also in May. More on these performances in our next installment.

We were “going through” some of our old pictures and other things from the previous building. At the risk of sounding like the guy who walked five miles uphill (both ways) to school every day, some of the pictures are from the “glory days” of the Pipe Band (and of El Jebel) and depict us when we had twenty-eight pipers, four tenors, four snares, a banner bearer, dancers, two bass drummers, and two drum majors. Our resident wood artisan conjured up a beautiful display board upon which he mounted the names (which he etched in brass) of all our Chieftains over the years. Doing no good hidden in a closet, we decided to display (with the approval of the building trustees) all these mementos in the hall opposite the “kitchen.” Should you wanna see what it usta be like, check ‘em out.

There are several other similar displays in that hall and each are very interesting, intriguing, and nostalgic. We should all take a minute or two and study these “lithographs.” (Well, they are not actually that old, although they could be.) El Jebel was an amazing and oft-emulated fixture in our dusty old cow town – indeed, the Shrine was held as an institution of high esteem throughout the entire country. We should all be thankful for that

heritage, and do our best to aspire to those high principles. And with a little work, we, as El Jebel Shriners, can and should reestablish ourselves as pillars of the community and worthy of the accolades we once received.

In the meantime, we are back to the Shrine for our weekly get-togethers each Thursday at 1830. Anyone interested in our little band of noise makers is welcome to join us then, so come on down!

R.V. ROAMERS OF EL JEBEL

BY: TONY DATTILO, P.P.

Sunday, March 13th brought welcome and warm weather and a great crowd to the gathering of R.V. Roamers and guests to the Wishbone Restaurant in Westminster. Thanks to our hosts Richard and Heidi Talkington for arranging for our presence at the location that answers the question regarding “Why do chickens cross the road?” The Wishbone’s answer to that question provided some excellent vittles for the houseful of patrons who were present. We enjoyed the first gathering of “Daylight Savings” immediately after having “sprung forward” one hour, moving the hands of our individual collections of clocks to a time one hour later – with the exception of the folks who are plagued with having the dreaded “forgetful” gene.

The St. Patrick’s Day Parade in Denver has returned and is now history, but the wearin’ of the green is still officially pending as the 17th Day of March commemorates the Patron Saint of Ireland who, by the tales of legend, distinguished himself by eradicating all of the snakes from the country many years ago. Somehow, the celebration of that event brings a great reason for the faithful’s joyous imbibing of adult beverages, most of which has been refined as tasty ales or various blends of spirits. Somehow, one wonders which came first: The *Guinness Book of World Records* or the famous brewer of the dark beverage with the same name. Lively and recognizable Irish-style musical creations, traditionally played on fiddles, guitars, drums, tin whistles, and bagpipes, echo clearly from the celebration venues where St. Patrick is recalled, remembered, and revered. It works so well that even the scofflaws claim a bit of Irish heritage as their ticket to celebrate. ‘Tis the season to recall the efforts of the “Celtic Women,” outstanding performers who excel in the presentation of Irish music.

On this beautiful warm Sunday afternoon, we welcomed Roamers’ members, President and 2009 Past Potentate Jim Stewart and Lady Annette, Vice-President Ken Stauffer and Lady Bonnie, Treasurer Jimmy Marshall and Lady Sherri, Secretary and 2007 Past Potentate Tony Dattilo and Lady Ellen, 2021 Past Potentate Ron Williamson and Lady Robyn, Immediate Past President Jim Taylor and Lady Judy, Past President Kent Eckley and Lady Mona, and Treasurer Jimmy Marshall and Lady Sherri, Past President Richard Talkington and Lady Heidi, David Kohlwey and Lady Arlene, Jim Oliver and Lady Kirsten, Jim Ashley and Lady Jean, and our Most Welcome Guests, Susan Boles and Barb Lloyd. We also welcomed our newest R.V. Roamers members, Charles Shaeffer and Lady Thelma, who boosted the numbers in attendance to twenty-six.

Roamers’ current members and Shriners who may be interested in joining our group are most welcome and encouraged to attend. **NON-MEMBERS** – Please be reminded that ownership of an RV is not required for membership and our “camping trip excursions” are always scheduled at wonderful facilities that have cabins available. *However, early reservations are required, for RV spaces and cabins as these “getaway” locations are booked well in advance.* Our schedule for the remainder of 2022 will find our group gatherings as identified below. If you wish to attend, please contact the hosts / wagonmasters identified or one of the officers of the Roamers for further information.

EL MEJDEL TEMPLE NO. 47 CAROLE BOLDUC, PQ

Happy Spring! Happy Easter!

Well, let's all hope the snow is behind us, except this is Colorado, and that could be "iffy"!

The St. Patty's Day Parade was spectacular; lots of people, lots of fun, lots of celebrations, and certainly lots of laughter. Everyone had a good time.

March was "lots of fun" for us Nile Ladies as well, as we installed our new Queen, Sarah Dolliver and her officers for the year 2022-23. We had a beautiful Installation, and a good attendance. Our Units performed, and the day was truly enjoyable. Sarah sure had a good time.

Our Junior Past Queen, Annette Stewart, had a very successful and active year. We wish her the best in her upcoming endeavors.

We are all looking forward to our "Day at the Rockies" on Sunday, September 5th and, now that the lock-out has finally been settled, it looks as though we can... "Play Ball!" Included in this Issue of the RED FEZ is the flyer for this event. Get your reservations in early.

We hope this spring season holds good things for you. Enjoy the gift of freedom and happiness that lives within us all.

MEDICAL STAFF BY DENNIS PROCTOR, P.P.

It is with much sadness that we haven't had any Outreach Clinics to work for the past two years. We haven't received any new information if or when the clinics will resume.

I know everyone misses seeing the children and see their growth and improvement over the years. By now several have graduated (aged out of Shriner's care). We still have the ability to refer children to the Salt Lake Clinic should a child be in need of Shriner's services.

Until we meet again, be safe and take care of each other.

LEGION OF HONOR BY COMMANDER ED RICHARDS

Well, today is St. Patrick's Day and time to get this out to all of our Shriners. We had a great turnout for the Parade on Saturday, the 12th of March – cold and windy the morning that we arrived but, as the morning wore on, it warmed up with the sunshine. I have been to a lot of Shrine Parades in the fifty-some years I have been a Shriner, but the turnout of this crowd was amazing! They were stacked three-deep the whole route. The news said there were at least 400,000 people there, the most and largest west of the Mississippi. It reminds me of the 4th of July Parade in Brush, as they are usually three-deep there, although not that many, but they come from all over on that particular day and really appreciate us being there. Johnstown Parade is a lot like Brush, too, as they really show up for that one.

I would like you to know that we now have two new members: Kent Burns from the Pipe Band who is also the Oriental Guide and our Divan Rep, and Danny Tomlinson, who is President of the Sojourners and a member of Blackhawk Lodge #11. I sent out five applications and Danny was one of the ones that replied. Hope that we can get a few more to keep us going as we need more Veterans to come forward. All of our members belong to other units so that doesn't matter as we don't march anymore, but we like the camaraderie as past members of the Military of our great country. And ladies are invited to come with you to our meetings on the 4th Tuesday of each month.

I installed Kent in our unit and PC Bob Stretch, who has rejoined the unit, installed the officers: my self (Ed Richards) as Commander, Mark Short as 1st Lt Commander, PC Hos Varner (who was absent) as 2nd Lt Commander, and PC Dave King as Secretary/Treasurer again. Thanks to PC Stretch for the installation and his participation in the parade. Thanks also to our new 1st Lt Commander Mark Short as he and his wife Karen drove his car in the parade behind the trailer. Any member of the LOH can drive their vehicles, as we have extra signs to put on them.

Nothing else to say right now, but I hope all of you had a great St. Patrick's Day and be safe and be well. Please get in touch with me if you would like to become a member and I hope that you will!

DUNE BUGGY PATROL BY: DON WEISER

It's April, and hopefully the spring snowstorms are finished, and we can enjoy warmer weather, and some rain. I'm looking forward to seeing the flowers in bloom, and the birds out again. Also, we are hopefully getting our buggies tuned up and any repairs completed.

The Dune Buggy Patrol held their March meeting on March 10, at Malone's Club House. Social time at 6pm, Meeting at 6:30pm. There was 4 members and 1by Zoom, due to the snowstorm.

There was not much to discuss, as it's still cold and snowy out. The St. Patrick's Day parade went well, and there were 4 cars there. Just a reminder, our insurance cards are past due, so please get a copy into Don Strand as soon as you can. Our next parade is the Commerce City Memorial Day parade, Monday, May 30th.

We should all begin planning whether we will be attending CSSA. CSSA is in Wichita, Ks this year, which is an easy 8-hour drive, across scenic western farmland. August 24th – 27th. If we get our decision in soon, we may be able to get rooms at the main hotel.

WESTERN COLORADO SHRINE CLUB BY GREGORY FOSTER

Hello Fellow Nobles,

The weather is warming up and that means parade season is right around the corner. Our new Vice-President, Noble Foster, will be making a list of parades throughout the state and sending the list for everyone to review and indicate which parades they are interested in participating in this year.

We are also going to have a bottle-opening event to taste the El Jebel Bear Creek Rye Whiskey at REMS Smoke Shop on 12th St on Saturday, April 23rd at 2 PM. This is an open invitation to all Brothers and Nobles in the area to come and taste some whiskey – and enjoy a cigar if you wish – with your brothers.

We are looking for homes for two tricycles, one electric, the other manual pedal-powered, and the golf cart for the parades. If you have room, please contact someone on the board and we will get the tricycle(s) and/or golf cart to you.,

I want to thank all the Nobles who came out to IHOP for International Pancake Day to greet customers, make balloons, and smile at the kids. We raised about \$1,000 for Shrine Hospitals and we had way too much fun.

I also want to thank Noble Steve Thomas for his many, many years of dedication and service to El Jebel, The Western Colorado Shrine Club, Tri-County, and Clowns.

Fraternally,

Gregory Foster

OPTARS

BY J. & J. TAYLOR

The Optars were scheduled to meet on March 1st, at New York Deli News for dinner, and the Shrine later for a meeting. But due to IHOP all day and evening, the meeting was called off---most of our Optars members were involved with it. So once again we are scheduled to meet at New York Deli News before our next 7:00 meeting on April 5th; dinner will be at 5:00. Hope to see you there! Keep focused!

COMPUTER CLUB

BY J & J TAYLOR

The Computer Club met on March 8th for lunch at Sam's #3, then went to the Shrine for a 1:00 meeting. There were 7 people in attendance.

The meeting was called to order by President Ed Hamm. The minutes were read by Secretary/Treasurer Jim Taylor, and approved. The Treasurer gave a report, which included giving President Ed a check for the 360-degree camera; it was approved also.

Under Sickness and Health: Mike Wallen's wife, Kathy, spent 2 weeks in the hospital with COVID, and they wouldn't let Mike in to see her! Now she is in rehab.

For Old Business, the question came up: "Who gets points for Ladder of Smiles?" (answer: 30 points to Mike W. and 30 to Ken B.) Also needed were the addresses and text content.

New Business: El Jebel's Raffle (toward the end of the year) will be both virtual and on site at Highlands Masonic Temple. Divan Rep Kent Burns gave a bit of info: Units have to physically own the raffle item, and they are limiting individual vendors (because of space). Ed wondered (out loud) when they would put out entry info; he wants to be included with his personal business items.

Ed's Tech Tip for the day: Win 11 still has enough issues that he is unwilling to install it for now. They have added a new feature that allows you to install many of your android Apps.

For the program, Ed showed us some of the many features of Google Earth Pro, which is now free. You can zoom in and out, calculate square feet, trace multiple routes in various colors, display posted photos by clicking on a location, and many other options.

Kent Burns Divan Report mentioned the upcoming Ceremonial – Apr. 9; Pote's Trip – Apr. 23-24; and the Raffle on Oct. 22.

On April 12, prior to the 1:00 meeting at the Shrine, we will meet at 11:00 for lunch at El Tequileño Family Restaurant on Havana near Yale; 2790 S Havana St, Aurora, CO 80014.

ENGLEWOOD SHRINE CLUB

BY DENNIS PROCTOR, P.P.

Ten members enjoyed a delicious meal at El Jebel's stated meeting on March 14th.

An interesting talk was given by Oriental Guide Kent Burns about his Pipe Band uniform. Like all the other units they are anxious to get back to parading and engaging with the public in order to share our story.

The next Englewood social will be April 16, 2022. More information will be sent when the details are complete. Hopefully, we will have a large turnout for this social.

WE NEED YOU!

We need help planting flags on the graves of our fallen heroes on Sunday, 29 May 2022 at 0900 (that's 9 o'clock in the morning for some) at Ft. Logan National Cemetery, 4400 W. Kenyon Ave. Denver, CO 80236. (Some of you may know it as 3698 S. Sheridan Blvd., or south of Hampden Ave., a.k.a. US 285.)

Flags will be provided. If you would like to support the Flags for Fallen Vets organization, you may purchase flags through their website: www.flagsforfallenvets.com.

It will be fun and also provide a little exercise. Don't know yet which block will be our assignment, but do know you will want to bring a screwdriver and hammer (to make a hole) or some similar tool (like a cordless drill with long 1/4-inch bit that may be dulled after the morning) as well as knee pads.

To participate, please contact your Oriental Guide at (720) 394-6374 or fdmr@netzero.net. **(Do not register on the Flags for Fallen Vets web site.)** Will have more information (how many flags, which block, etc.) soon. Open to all Nobles and their Ladies (and family). Please observe the KISS principle: I will take care of all pertinent details, points, locations, etc. More information as it becomes available.

Optional retrieval will be Saturday, 4 June 2022.

Thanx for your support.
