POTENTATE'S MESSAGE

**Ken
Jones**

Nobles, Ladies, and Friends of El Jebel Shrine:

Happy Halloween!!

October is here and the Shrine events of September are pleasant memories. Thank you all for participating in those memories. Let's make more in October!

Our September meeting was enjoyed by all, it was definitely a great way to say "welcome back." In addition to our El Jebel Nobles and Ladies, we welcomed honored guests Imperial Sir Tim Forbis, Imperial Captain of the Guard, and his Lady Peggy, Daughters of the Nile Supreme Queen Vicki Tabor Hill, and El Mejdal Queen Sarah Dolliver. We were also joined by a few out-of-state Nobles and a soon-to-be Noble with his family.

The highlight of the meeting was the Gnome auction. It raised \$790 for the transportation fund. A big shout-out to Lady Patti Dawkins who donated the handcrafted gnomes.

One very difficult decision was to cancel our participation in the Arvada parade. This was done due to weather conditions and safety concerns. Many of our parade units cannot perform in 40-degree rainy weather. Wet roads are also especially dangerous for the Drivers and their horses. I appreciated everyone's understanding about the short notice to cancel.

This year's Walk for LOVE was held at Hogle Zoo in Salt Lake City. The venue provided an opportunity to interact with the parents and patients. Ten El Jebel Nobles and Ladies attended; many others showed their support through a virtual walk. Whether you attended in person or virtually, your contributions help our hospital.

Tip of the Fez to the Nobles who served at the Ladies Luncheon; you helped make the event special for the Ladies. A big THANK YOU to Lady Patrice Heath for her donation of 12 homemade quilted table squares. They were table decorations and later sold as the luncheon fundraiser. Through the generosity of the Ladies, \$490 was raised for our Transportation Fund.

Membership is the life-blood of the Shrine. Now is the time to start getting petitions for our Fall Ceremonial on Saturday October 29. Be a first-line signer on two petitions in one year and get your next year's El Jebel dues paid (hospital and per capita portion will be your responsibility).

We need office volunteers to assist with greeting visitors, answering the phone, assisting Nobles with question and, most of all, providing relief to our current volunteers. Our office is important to the operation of the Shrine. If you have a day a month to volunteer, please call me at 303.588.4785.

Upcoming Events:

October 1 – Make 'em Smile parade
October 10 – Shrine family meeting
October 21—Social Hour-Oasis
October 22 – Sportsmen's Raffle
October 29 - Fall Ceremonial
October 31 – Happy Halloween!
November 5 – Denver Veteran's Day

Along with Lady Marlene, we wish you a safe and fun October.
Celebrate the good things!

Yours In The Faith,
Ken Jones
Potentate El Jebel Shriners, 2022
All Aboard!

Thank you to all the ladies who attended the Ladies' luncheon. It was a wonderful event and I enjoyed visiting with everyone. Veronica Adames, Early Intervention Program Manager from El Grupo, was our guest speaker. She provided a wealth of information about El Grupo's support to our local Hispanic community. They assist parents who have children with disabilities or any other special need. Currently, El Jebel is helping them place a child at Shriners Children's Salt Lake.

Thank you to the Nobles who helped serve. I know all the ladies and (especially) I appreciated it.

A "big thank" you to all that helped with the room setup, assembling the decorations, and the chocolate jars for each guest. Special thanks to Patrice Heath for making the beautiful homemade quilted table-toppers.

To those who were unable to attend, you were truly missed. Hope to see you soon!

BACK IN THE SWING OF MEETINGS AND EVENTS

We had a great time at our Temple Meeting on 12 September! The auditorium was filled with Nobles, ladies, and guests toasting, talking, laughing with one another. By a little after five in the evening, the rooms were full. We had guests visiting from Idaho and the Imperial Captain of the Guard, Timothy "Tim" Forbis and his Lady Peggy Sue were down from Wyoming to join in the festivities. If you were not there, you missed a joyful reunion of the "clan," Clan El Jebel. With Autumn upon us, it was inspiring to see old friends and meet new ones as we renewed our monthly meeting programs. Our caterer Mike and his son Nick brought a great feast for all to enjoy.

The evening began with Past Potentates Bobby Marner and Joe Kent introducing our Potentate Ken Jones who welcomed all and then asked our Chaplain Jim Oliver to give an invocation followed by Kent Burns, Oriental Guide and Ed Richards, Legion of Honor Commander leading all in the Pledge of Allegiance to our Flag and the Chanters singing God Bless America.

Our Masters of Ceremonies, Past Potentates Bobby, and Joe "Things One and Two" opened the evening with their "Frick and Frack" antics that are always hilarious! What a list of dignitaries introduced by Bobby and Joe: Daughters of the Nile Supreme Queen Vicki Tabor Hill, El Mejdal Queen Sarah Dolliver, Yucca Temple Queen Kathy Grouh, and again Imperial Captain of the Guard, Timothy "Tim" Forbis. Also introduced were our Past Potentates attending Dennis Proctor and his Lady Judy, Bobby Marner, Joe Kent and his Lady Karri, and Ron Williamson and his Lady Robyn. Also introduced were Past Imperial Chaplain Greg Rindone and his Lady Kendy. Then Potentate Ken introduced the Divan and their ladies.

In the detail's column, our Temple continues to be financially sound, and our building now enjoys an eighty-three percent occupancy which is good in today's lease market. Membership continues to decline as noble deaths exceed new nobles joining as the year progresses. Temple membership currently is 744 Regular, 37 Associate, for a total of 781. This is where you and I become the key factor in El Jebel membership. We need to remember membership is a contact sport. We all should contact our brothers in our Blue Lodges that have not seen the light and become Shriners. Any time is great to contact brothers even more so now since we have our Fall Ceremonial scheduled for Saturday, 29 October! Currently there are only two candidates, and we need far more than that to maintain our heritage, El Jebel.

Please take this to heart and diligently talk to your brothers about the advantages of being a Shriner. Yes, the Shrine is a Fraternity, but today the Shrine is also a family affair. There is something for everyone in Shrinedom. We are a Fraternity and will remain such, but the emphasis now is expanding on family inclusiveness. El Jebel is dedicated to maintaining our fraternal way of life while recognizing the importance of family, ladies, and youth. Feel good about yourself and bring in a new member at the upcoming ceremonial.

What's on the horizon for October? Parades are always fun and on Saturday the first we will be parading in the morning at the Fitzsimon's Veterans Home, then somewhere for lunch together, and in the afternoon parading at the Masonic Home. This will be a wonderful day for all. Monday the tenth at 6:00pm will be Dinner and Family Night at our Temple. Come early and enjoy the fellowship in the Oasis. Saturday the fifteenth from 4 to 7:00pm will be our monthly Happy Hour in the Oasis where camaraderie is the key. Most importantly, Saturday the twenty-second is our annual Sportsmen's Raffle at Highlands Lodge on the thirty-five hundred block of Federal Boulevard. Activities begin at 11:00am and there will be a lot more than just a raffle. Be there and enjoy. You won't regret it. To round out the month, as mentioned earlier, the Ceremonial is on the last Saturday in October. Be there to support your candidate(s).

Just a reminder that El Jebel has our Children's Christmas Party on Saturday, 10 December at our Temple. Santa Claus has been contacted and will be at the party with his elves. The Optars Club will be taking photos of Santa with the kids for every family. There will be food and drink for all and most importantly, stockings and gifts for every child and so much more. Don't miss this one and you can volunteer to help. Just contact Noble Don Weiser at the office.

Don't forget to read your Red Fez every month and share what you learn with others. Never doubt, you are an integral part in our success. Enjoy El Jebel membership to the fullest and be active.

Fraternally,

Jay

PARADE CORNER

BY MIKE TERRY, MARSHAL

Remember the old saying, “All dressed up and no place to go?” That’s what we could say about the Arvada Harvest Festival Parade. After a high in the upper 90’s on Friday, Saturday the 10th dawned rainy and cold and, sadly, a last-minute decision had to be made to cancel our participation in the parade. I know people were disappointed that we didn’t parade as planned, especially since the parade had been cancelled the last two years because of COVID. However, it was the right decision as many of our units are open vehicles or have electronic equipment that can’t get wet. We also needed to take into consideration footing for the horse units. Thanks to all for your patience and understanding and, hopefully, in 2023 we’ll finally be able to “dance in the streets” of Arvada.

As the parade schedule winds down for 2022, the “Make ‘Em Smile” parades will be held on Saturday, October 1st at the Veteran’s Home at 10:00 AM and at the Eastern Star Masonic Retirement Center at 2:00 PM. Watch your e-mails for more information about staging times and locations. The residents of these two facilities really look forward to the parades. One of the ladies at the Eastern Star Masonic Retirement Center told the Activity Director that last year’s parade was the longest parade she ever saw – the same parade made 3 loops of the building but to her it was some big parade. Let’s make ‘em smile by having this be the longest and best parade yet.

Last but not least, make sure to put the Denver Veteran’s Day Parade on your calendar for Saturday, November 5th. It’s sure to be a great parade. Again, watch your e-mails for further details.

Remember, even if you don’t have a parade vehicle, there are always vehicles available for you to ride in or on. All parades are social events; bring your family and prospective Nobles (and don’t forget your Fez). Please contact me on myyellowbee55@msn.com if you have any questions. All Aboard and join in the fun!

MOTOR CORP

(Cooler Nobles, Jeep Patrol, Keystone Kops, Motor Patrol, Noble Cycles, Tux N Trikes, Vintage Iron Patrol)

The Arvada Harvest Parade was cancelled the day of due to rain. This only proves that nature really can be a Mother (LOL).

Our next Parade is a double-header: First up is Colorado Veterans at Fitzsimmons followed later that day at the Eastern Star Home on 10/1/2022. The forecast is not looking great due to rain predicted that day. I guess it's like they say "Weather is here; wish you were beautiful" Veterans Day parade is set for November with no details as of yet.

Septembers unit meeting had 26 members in attendance (Wow). The 2023 Officers have been elected. Great to have first time attendees Chuck (Bonnie) Peterson along with Emit (Kristy) Hurdelbrink and Ed Hamm in attendance. The meeting was quick but the fellowship was awesome!

Our Face Book page is "El Jebel Motor Corps." Join in and add your favorite pictures and comments. This is a "Members" page and will have important parade, meeting, and social information. This is in addition to e-mail alerts and Red Fez articles. More information for our members is always a win. The Moderators are Glenn Lasater and Chuck "Hawk" Hawkins.

It's raffle time! Please help support El Jebel. Call the office 303-455-3470 to receive you tickets and all the informational updates. We are in our final leg so please help out and sell those tickets and don't forget to turn in those sold tickets right away.

Secretary Brett "Baby Boy" along with "Hawk" are compiling the roster. This includes things like birthdays and anniversaries. They may be reaching out to you soon to complete this fact-finding mission. Please take a minute and help them complete this important undertaking. You can contact "Baby Boy" directly at 303-217-6107.

Our next meeting will be on October 25th (4th Tuesday of the month) at 6pm. Dinner first with meeting to follow at Pietra's Pizzeria and Italian Restaurant (west room) located at 9045 W. 44th Ave, Wheat Ridge CO 80033 (303) 421-4100. Nobles, Ladies and any interested Future members are welcome to attend.

Call or Text 303-514-2102 by October 24th to confirm your attending (We need to let the restaurant know a head count). Bring your ideas, solutions and light hearted fun!

Remember if we create fun - fellowship will always follow.

A message from the Chief Rabban

Can you believe it is already October? Lady Kim and I .hope everyone is doing fine, enjoying life and everything that beautiful Colorado has to offer during this fall season. It sure has been pretty out at the Carter Cattle Company!

Parade season continues, and El Jebel's participation has been outstanding. Unfortunately, the Arvada Parade was cancelled due to some unseasonable weather, but we still have several opportunities to get out and have fun and share in the fellowship that is El Jebel parade season,

Our fundraising efforts are continuing. We still have bottle tags and pecans available. Please contact the Shrine Office to purchase your tags and/or pecans for your next special occasion. Our 2022 Sportsmen's Raffle ticket sales have taken off! We have sold over \$31,000 worth of tickets so far, which is an amazing number. Call the Shrine Office to get your tickets to sell, and to sign up to work our booth at Bass Pro Northfield. We have a great opportunity there as they have allowed us to sell raffle tickets every weekend until the raffle. We are hopeful that the other Bass Pro/Cabela's locations follow suit and let us sell at their stores as well. The on-line raffle sales website is up and running and is very easy to use. Every Noble has their own sales page that he can send to people interested in buying tickets. For this to be a success, we need everyone's participation. If you did not get the e-mail containing the link to the raffle website, please contact Perry Mittler or any member of the Divan and we will get it to you and make sure you understand how it works. We have four weeks left until the raffle, so let's all get involved and make this a huge success for El Jebel. Every little bit helps so please continue to sell, sell, sell. If you have any other fundraising ideas, please do not hesitate to contact me to discuss them.

Everyone please be safe and happy! Lady Kim and I hope to see you all at a Shrine gathering soon.

Get Aboard!

Yours in the faith,

El Jebel Fall Ceremonial Saturday October 29

Nobles, now is the time to start getting petitions for our Fall Ceremonial. This last spring, we created 7 new Nobles. The goal for this fall is 14. This is not unrealistic; Illustrious Sir Ken is awarding 300 points to first-line signers. So, get those petitions in!

Bring a perspective Noble and their family to a parade, Friday social, and any other Shrine event. New Nobles are the life-line of El Jebel.

October's ceremonial will be the same format as the Spring and will include the showcase of Units. As we get closer to October, details will be communicated.

Together we will make the Fall Ceremonial a success!

Phishing Season Is Open. Be Vigilant!

Phishing is a type of social-engineering attack often used to steal user data, including log-in credentials and credit card numbers. It occurs when an attacker, masquerading as a trusted entity, dupes a victim into opening an e-mail, instant message, or text message. The recipient is then tricked into clicking a malicious link, which can lead to the installation of malware, the freezing of the system as part of a ransomware attack, or the revealing of sensitive information.

In a typical e-mail case, you will receive an e-mail that appears to come from a known person or company that you recognize and do business with, such as your financial institution. The e-mail will probably warn you of a request that requires your immediate attention. In many cases, a quick check of the e-mail return address or the originating text number will tip you off.

Many Nobles have received e-mails and texts claiming to originate from me. These unscrupulous people sending them are hoping you will fall for their scam. Be assured, my e-mail, AT&T phone, and your El Jebel office server have not been hacked. Here is an example of a spam e-mail or text you may receive:

Hello. Are you less busy at the moment? I got a request for you to manage discreetly. I will be going into a meeting shortly, please no calls so kindly respond back via e-mail.

**Yours in the Faith,
Ill. Sir Ken Jones**

Please be assured I will not ask you to buy anything or to send an e-mail for a private conversation. Do not get hooked by these phishing schemes. Below are articles worth reading:

OPTARS

~ J. & J. TAYLOR

We did get into a bit of photography, when Ed showed us his GoPro that he uses on trips. There were numerous attachments he brought to show us, like a chest mount, a small flexible tripod, a strap headband holder, a “selfie” pole, and others he doesn’t have, like an underwater case, noise suppressor, etc. He did put his forehead mount on, and we took a picture (see here in the Red Fez). We can’t wait to see his photos when he gets home from their trip!

With all this entertainment came his program on “Action Cameras”; these are usually smaller and more reasonably priced than video cameras. GoPro is an example – available are wrist attachments, water protection cases, filters, clamps, suction cups (for a car mount!), etc. B & H or Amazon prices run about \$400.

If any of you want an interesting and enjoyable evening, come to the Optars meeting on the first Tuesday of the month. We usually go somewhere to dinner at 5:00, then to the Shrine for the meeting at 7:00. This next meeting will be on October 4th, with a dinner at New York Deli, on Hampden. Come join us!

SPORTS CLUB NEWS

~ RANDY JENSEN

The Sports Club had a successful steak fry at the Rindone’s on September 11, 2022. It was attended by 22 folks and the food was excellent! The club decided to have a short meeting to discuss and plan upcoming events. President Ill Sir Ed Rendon called the meeting to order and the first order of business was to decide next years’ officers. It was decided that the slate of officers this past year would stay for 2023 year: President, Ill Sir Ed Rendon; Vice President, Noble Randy Jensen; Secr/ Treas, Noble Greg Rindone; Parade Capt., Noble Jim Dawkins.

We have organized a “Fall Colors Ride” in our beautiful mountains on September 29, 2022. This will be an **ALL**-day event leaving The Fort parking lot at 8:00am that Thursday. See attached flyer. Be sure to RSVP to Greg so we don’t leave anyone behind!

Our next outing will be at Zonka’s Restaurant in Pine, CO on Thursday, October 20, 2022 for lunch. We will meet at The Fort in Morrison and follow each other to Zonka’s or you can drive straight there. However, we would like to know either way if you are planning on going so we have a count. Please let Greg know either by e-mail or phone, 303-918-7299.

If you’re not already a Sports Club member but would like to join us, please contact our President, Ed Rendon at 303-908-3738 or Vice President, Randy Jensen at 303-905-4967.

Our meetings are on the second Wednesday of the month and will resume most likely in November but not certain. There will be more information regarding monthly meetings in the next Sports newsletter. Come join us. We have a really good time when we are together!!

October Sports Ride

The September ride is planned for Thursday the 29th and we will enjoy the scenic colors autumn has to offer. Hopefully this will be a good photo opportunity. We are avoiding the weekend as doing this then would be a horrific traffic issue.

Be advised – this is going to be an ALL-DAY excursion with lots of viewing and lots of miles.

We will meet at The Fort parking lot at the Morrison Evergreen exit at 0730. We will leave around 0800. Would like a YES or NO response so we know who to look for prior to pulling out. RSVP Greg Rindone by return e-mail.

WAGON TRAIN?

September 17th marked the departure of a Shriners' "Wagon Train" for the Black Hills of South Dakota. The newer "wagons" are now made of steel, aluminum and fiberglass, riding on rubber tires, and powered by much more horsepower than what was provided by the old horse / oxen drawn models of the Old West.

The trek began at the Johnson's Corner truck stop and restaurant where giant cinnamon rolls are the most popular fare. As previously "scouted" by Wagonmaster Jim Stewart, the caravan made its way north through Cheyenne, the gateway to the "nothingness" of Wyoming. Although the worst of Wyoming highways outclass the best of those in Colorado's pothole farms, the "attractions", pit/potty stops and refueling locations are few and expensive! Strong wind is the primary natural resource of Wyoming, often forcing our modern "wagons" to frequently correct their trajectories along the roadways.

As the Caravan turned to the east at Newcastle, the scenery instantly changed to beautiful scenic forests, rock formations, and roadways that were creatively constructed to negotiate the twists and turns through the Black Hills National Forest. The former campground of General George Custer now serves as the beautiful R.V. park where we were welcomed by the owners, checked in quickly and settled in for the evening.

With so much to see in the Black Hills, only two group destinations were on our schedule. The first was a drive through Custer State Park's scenic wonderland where "big rigs" would be considered foolish and dangerous to use on the narrow "pathways" which culminate at the Mount Rushmore National Memorial. Our group arrived in time to visit the food court for dinner, and a walk through the "Avenue of Flags" which leads to the amphitheater below the mountain upon which the faces of Presidents Washington, Jefferson, Roosevelt and Lincoln are carved in the granite. The National Park Service presentation featured an interesting historical review of the Presidents is followed by the entire audience standing to sing our National Anthem together, during which the mountain is instantly lighted, revealing the faces of the "fabulous four" Presidents – a very stunnig sight which brought gasps of surprise and admiration from everyone. The closing of this ceremony is accomplished by the calling of all military veterans to the stage where our American Flag proudly waves throughout the day. On this day, "Old Glory" flew at half-staff to honor lives lost in service to our nation. Several veterans are asked to participate with the retiring of the colors. Two of the veterans chosen included our own retired U.S.A.F. Chief Master Sergeant Annette Stewart, and U.S. Army veteran Jim Oliver.

A "Present Arms" command brought all veterans to attention while rendering a salute that was maintained throughout the retirement of the flag. Once again, there were comments that "too much pollen" was in the air, creating "leaky eyes" during the ceremony. This program is a "must" for everyone when traveling to the Black Hills.

The other group event was a visit to "Bear Country" which is home to a variety of wildlife creatures, but primarily for dozens of bears. Visitors are cautioned to remain in their cars (with windows closed) while traveling through the areas in which the wildlife are well maintained. The bears are free to roam throughout their area, complete with "dens" in which they reside. Most of the animals in Bear Country are nocturnal hunters, and prefer to "hide" and rest during the warmer daylight hours, but the bears remain active throughout the "park". Recently weaned bear cubs are maintained together in their own enclosed area, all very entertaining to watch. This entire excursion was very much enjoyed by all present.

The areas of Hill City, Keystone, Custer, and Custer State Park contain an incredible variety of sights, sounds, restaurants, breweries, wine producers, all different than the average "tourist" fare. Just ask any of the Roamers present about the "Red Ass" rhubarb wine that many couldn't resist taking home.

Evening bonfires at the campground brought warmth, laughter and stories to all in the cool evening with hints of winter noticeably changing tree leaves to yellow and gold as observed each morning. The forecast of light rain and cold predicted for the day that the "Brown Bag Auction" was scheduled didn't materialize, so the auction went very well, bringing in several hundred dollars in bids, all destined to be utilized exclusively for the benefit of our "Shriners' Children". The participating owners of the R.V. Park posted auction advertising flyers inviting any and all who were staying at the park. We welcomed the surprise presence of a participating couple staying there whose daughter, now 35 years old was a patient at the Salt Lake Shriners Hospital when she was three years old, having been born with severely deformed feet and one hand. They related their "story" of tragedy and heartache to success and how their daughter is now enjoying a successful life with the post-surgical prostheses that were made for her by Shriners hospital technicians. Once again, that "pollen" in the air caused "leaky eyes" with several who were present. No words can describe how grateful these parents are for the life altering treatment that their daughter and their family received from Shriners.

Many great experiences were shared with all present during this week. The ever present "RV Gremlin", caused some electrical issues with the Marshall's RV tail lights and an auto-leveling jack, and on the way home, bits of tire rubber were being thrown away by an inside rear dual tire as it disintegrated on Dattilo's RV.

Computer Club

By J & J Taylor

The Computer Club met on September 13th at 11:00 for lunch at Zane's Italian Bistro on Yosemite. We then went to the Shrine Fleming Room for a 1:00 meeting. There were nine people there: Ken Behrens, Judy and Jim Taylor, Dianne White, Ed Hamm, George Van Trump, Mike Wallen, and our Divan Rep Kent Burns and his Lady Julie. We had a quorum! Usually Sam attends, either by Zoom or in person, but later he explained he dozed off and missed it!

The Children's Christmas Party is coming up, and the club has again been asked to do photos. We discussed printing pictures vs. giving out pictures on flash drives. No decision has been made on this yet. On November 5th there are two events which the club, with Optars, has done photos in the past – the Nile Tea, and the Veterans' Parade. These will be covered. The same applies to the Ladies Luncheon.

Under Tech Tips, Ed let us know that add-ons to new cars will now be priced as monthly or annual subscriptions rather than purchased outright. Things such as lane-assist, auto-following, self-driving, and auto-parking can be added later via automatic electronic updates to your car.

Chip manufacturing facilities are now underway in the USA. Currently nearly all chips for vehicles, computers, etc. are made in China.

We need some help for photos at the Children's Christmas Party. We need to decide about immediate printouts vs flash drives.

Don't forget the Sportsmen's Raffle and the Ceremonial. Maybe we will see you at the El Jebel Shrine Social on the third Friday of the month.

The next Computer Club meeting will be October 11 at 1:00 PM at the Shrine. We will gather at Zane's Italian Bistro again (the food was delicious) at 11:00 AM. Come join us!

HALLOWEEN**

WESTERN COLORADO SHRINE CLUB

BY GREGORY FOSTER, VP

Hello Ladies and Fellow Nobles,

I'd like to begin with an update regarding the Shriners International and Shriners Children's Anniversary Celebration we had on Saturday, September 17th at Canyon View Park in Grand Junction. Thanks to the efforts of our Nobles, our Masonic Brothers from area Blue Lodges, and our families we had a great turnout and we gave away several hundred ice cream bars. Though it seemed kids were more interested in getting their faces painted than having ice cream. I would like to extend my heartfelt thanks to the following Nobles for all their hard work making this event such a success. Nobles Gregory Foster, David Krogh, Bill Hirt, John Groves, Mike Briscoe, Bill Brassette, David Vandye, and Gary Weiszbrod Thank You!

I'm pleased to announce that the WCSC will begin having a monthly Social Hour at Scotland Yard in Grand Junction on the third Saturday of each month at 4 PM. Scotland Yard is in the shopping center off of 24 ½ Rd and Highway 6&50. Our next Social Hour will be on Saturday, October 15th so mark your calendars and join us for fun and fellowship.

As of Monday, September 19th, the Western Colorado Shrine Club is ranked 4th in El Jebel 2022 Sportsmen's Raffle ticket sales. Let's see if we can move up the list and break the top 3. We are working with the Grand Junction Cabela's to arrange dates and times to sell raffle tickets outside the store so please stay tuned for more information. Also, remember if you haven't bought your raffle tickets yet you can buy and sell tickets online or contact El Jebel for paper tickets.

Our next parade will be the Veterans Day Parade in Grand Junction on Friday, November 12th at 2 PM. As we get closer to the event we will have more information for you, so please stay tuned.

Our next initiation for new members will be in February. I know that seems like a long time away, but it will be here faster than you think. If you know a Brother that is interested in joining us or is looking to have fun with his fellow Brothers please have him submit a petition. You can direct him to www.ElJebelshrine.org or to www.MasonicFamilyGJ.org/Shriners for a petition. Remember you get 50 Jewel of El Jebel points for being the first line signer on a Brothers petition to join.

Finally, if you have ideas for fun events please reach out to a member of the WCSC Board. We are always looking for fun things to do.

With that, I will say I hope you all have a wonderful month and see you soon.

Walk for Love—Salt Lake City

PIPE BAND

BY KENT BURNS

As promised last month, here is the “after-action report” on the annual Band barbecue at the Johnson’s. The weather cooperated and provided a warm (but not hot) afternoon in which to enjoy Tom’s famous pulled pork and all Lilly’s sumptuous sides. Tom had to have a little help pulling the pork – remember he lost an argument with his router. Finger is coming along rather nicely (considering) and he will know in the next month or so if he has to make any drastic changes to how he plays the pipes. Will keep all apprised of that situation.

Another “after-action report”: The Band had to withdraw from the Grand Lake Constitutional Week performance due to unfortunate timing for a majority of our members. After conferring with the producers of the program up there and explaining that we had only two pipers available, they accepted our apology and assured us that we would be on the program for the next assembly in 2023. We greatly appreciate their understanding, and look forward to next September.

We were honored once more to welcome home Veterans from an Honor Flight mid-September. While some of these flights are more memorable than others (they tend to blend together after so many), each Flight reminds us of how much we all owe to our heroes. This most recent Flight was a little more “special” than usual. When meeting someone for the first time who appears to be of “that age,” the first question is always “Have you been on an Honor Flight?” If the answer is “no,” the next question is “Would you like to go on one?” Usually that leads to helping them apply for the next Flight. But one shockingly said “I’m not eligible.” Since I knew he had been in World War II, the next comment was “You were in Europe during WWII, weren’t you?” He answered, “Yes.” To which I remarked, “Then you wore the uniform.” He replied, “No.” Thoroughly confused by now, I admitted he needed to explain. His explanation almost felled me. “I fought with the Dutch Underground.” Well, that was more than enough. When the Honor Flight people heard the story, they agreed that he had more than earned the right to be on a Flight. This was that Flight. And “Dutch,” as he is commonly known, will be at the Veterans Day program this November as the guest of the Pipe Band.

We are looking forward to the next one on Saturday, 15 October 2022 at DIA. Been working with some members of the Rocky Mountain Brassworks trying to put together a short “show” reminiscent of one we did some twelve or so years ago with the cadets from the AFA as RP&B. We had just finished a show for Tartan Day and since we had everyone together all decked out in uniform (and with the exuberance of youth), we went out to DIA for an early return (usually an evening arrival, but for some reason that Flight came in mid-afternoon-). It came off rather well – the Veterans couldn’t get enough of the cadets, the cadets were totally enthralled with the Veterans and couldn’t stop asking questions, and the crowd loved the whole show.

The acoustics in the main terminal are some of the best we have ever played. The portion of the show where the Veterans came up out of the train tunnel was on YouTube for a long time. We were playing the theme from the TV series, *The Band of Brothers*. Could not have been scripted any better by Hollywood.

Speaking of the Rocky Mountain Brassworks, we are pleased to again play with them in their Veterans Day program, Sunday, 6 November 2022 at the Lakewood Cultural Center, 470 S Allison Pkwy, Lakewood. The time has not been firmly established, but for now we are assuming it to be 1600. Should know by the next issue of the *Red Fez*. Since our times with the AFA cadets has been curtailed of late, the Band jumps at the chance to play with the brass, such as the RMBw. We have been lucky enough to do so at least twice a year ever since our friend and benefactor, Bill Smith, retired. He was the one who introduced us to each other.

For any interested in renewing their acquaintance with the Third Degree, the Band will be conferring such for Centennial #84, 1614 Welton St., Denver, on Saturday, 15 October. Lodge is scheduled to open at 0900. Don’t think they would mind a few more Brothers in the north and south.

As always, we will be at the Shrine (almost) every Thursday evening and can offer you a hearty welcome should you come on down to learn piping or other things Scottish at 1830.

LEGION OF HONOR

~ COMMANDER ED RICHARDS

Well, it’s time again to write another LOH article for the *Red Fez* which I am sure you will receive in October! Welcome back to the Shrine meetings as it has been a busy and hot summer with much to do. Of course, we started off the summer parades with one on Memorial Day in Commerce City, then off to Johnstown for their parade (which I really don’t know the name of but no matter), and the next week we were in Brush for the 4th of July parade. Then comes August and we were in Wheat Ridge for their carnation parade. So in comes September and the Arvada Parade that had to be canceled due to the heavy rain and the fact that most of the units parade in open vehicles. All this was explained by our Illustrious Potentate Ken Jones at our September Shrine Meeting. The following week we were supposed to do the Broomfield Days parade but it was cancelled due to the fact that El Jebel Shrine was doing the Walk for Love in Salt Lake City and there wouldn’t be enough units to warrant it. We still have three more parades to attend though, a pair in October and one in November. The crowds of people that attended ALL of the parades were remarkable as the turnout was humungous.

We are going to have our first Legion of Honor meeting on the 27th of September. I had asked several people to attend but due to other commitments they are unable to do so, but I hope we have a good crowd for the meeting. We need to hold our election of officers to comply with Imperial requirements. I will let you all know how that comes out in the *Fez* article for next month. That’s all that I can think of for now, so stay safe and cool, and may the good Lord take a liking to you!

We are approaching our overnight trip to Canon City and Florence. This should be a lot of fun. We currently have 23 people going, 20 golfers (12 men and 8 women), 3 non golfers. We will have 3 male foursomes and 2 female foursomes.

Our Christmas Party is scheduled for Friday, Dec. 9th, 5pm to 9pm at the [The](#) Vista. I am happy to announce that we will have a vocal ensemble from Colorado Christian College (10 strong) called The Peak Harmony vocal ensemble.

Our next meeting will be Wed. Sept. 28 at 11:30am at the Golden Corral Restaurant at Santa Fe Dr. And W Hampden Ave.

We ask any of you that want to join us for good food and good fun, we will welcome you with open arms. Ladies are welcome.

(RV Roamers continued)

Luckily, some borrowed tools, a spare tire and plenty of assistance from Jimmy Marshall remedied the situation, and the trip home was made with no further problems. writer's "mantra" continues to prove true; *"There are two kinds of R.V. owners – those who have problems, and those who will."* – an unfortunate fact that applies to R.V.'s, homes, motorcycles, and a host of other "items" that have breakable "parts".

Unintended humor created by the Taylors occurred while we were waiting at the edge of town for those to gather who chose to caravan home together. While parked in a safe spot, waiting for other rigs to arrive Judy Taylor hurriedly drove off to follow an RV that she thought belonged to the Marshalls for several miles, stopping and starting when it did several times, until the curious driver of the followed rig stopped to ask Judy if there was a problem or if they needed help. When Judy saw him, she realized the error of her haste and erroneous observation in following a total stranger on a totally different path than our group. Several telephone attempts to contact her failed due to the absence of cell phone coverage in the area. Judy and Jim later rejoined us at our "flat tire" repair stop in Lusk, Wyoming, laughing at herself. but no worse for the wear, and headed south to be home in time for a busy weekend with other Shrine functions.

Prayers of "Thanks" to our Gracious God who provided His protection for our safety and health during this wonderful excursion of dear brothers and sisters each of whom made it so very special. Thanks to all!

HAPPY HALLOWEEN!

Fall has finally arrived and not a minute too soon. The heat in September was almost unbearable; nevertheless, El Mejdél Temple had a very busy September. The Official Visit of our Supreme Queen, Vickie Tabor Hill was held on Monday, September 12th. Officers' and Unit practices kept our Temple hopping.

The Supreme Queen Visit was a beautiful day. Rather than a banquet, our Queen opted for a "brunch" which was a big success. Unit performances followed, and then our Session and Ceremonial where a new Princess was welcomed into our Household.

September 15th through the 18th, the Annual "Walk for Love" was held. It was both *Live* and *Virtual* this year, and the end result was a very successful endeavor.

Our next big event coming up is the *White Rose Celebration*. See flyer included.

Deadline date for reservations is October 14th. We are all looking forward to honoring Queen Sarah. Please mark your calendar for Sunday, October 23rd. We hope to see you there.

Saturday, November 5th, is the big day for our Annual High Tea. The theme this year is "All That Jazz." A reservation flyer is included in this issue of the RED FEZ. Seating is limited; consequently, reservations should be made as soon as possible.

We hope everyone has been staying healthy over the summer months. Holidays are coming up....something fun to anticipate.

Have a Happy Halloween, and dress warm while Trick or Treating!

DUNE BUGGY PATROL

The Buggies were tuned up, cleaned up and ready to go for the Arvada Harvest Festival Parade. At the last minute, tops were put up for the first time in years due to the cold and rain forecasted for the day. Early Saturday morning emails and calls started going out that El Jebel would not be participating in the Arvada Parade. Can't say that we were sad to get the news. It would have been a very cold, wet morning for the buggies. Buggies stayed home in the garage clean and dry and ready for the next parades.

We hope all of those in the Dune Buggy Patrol will plan to join us for the two parades on October 1, 2022. We will be doing the Veteran's Home at 10 a.m. and the Eastern Star Masonic Retirement Campus at 2 p.m. We will find a place for the Dune Buggy Patrol to have lunch between the parades. These parades are so appreciated by both homes. This is the only parade they see the entire year and they enjoy getting outside and seeing all the units. If you wander among the residents at both places, you hear the gentlemen saying, "I'm a Shriner". Let's make them proud and have a good showing from all our units. Bring out the Flags and join us!

We did have several members of the Dune Buggy Patrol travel to Salt Lake City for the Walk For Love as we Celebrated 100 year of Shriners Children's. I'lls Sir Ken and Lady Marlene, I'lls Sir Ron and Lady Robyn, Noble Mike and Lady Robin, Noble Don and Lady Cathie and our adopted members Noble Chuck and Lady Bonnie. Board of Governors, Noble Rick Frohlick and Lady Linda, Noble Ed McKenna and Noble Jim Barager and Lady Teena from Al Kaly. Friday morning, we had a tour of the Hospital with lunch on the patio. Friday evening was the walk at the Hogel Zoo. It was so humbling to hear a couple of the kids and one of the moms speak about how thankful they are for the care the kids receive at Shriners Children's. We would encourage others to join us next year and talk and walk with the Shrine Kids and their parents and siblings. It is an experience you will never forget. We might also mention that Big O Tires is a sponsor for the Walk for Love and donated \$50,000. When needing tires in the future please consider Big O Tires.

Our next Dune Buggy meeting will be on October 12, 2022. Social at 5:30, Dinner at 6 p.m. and Meeting at 7 p.m., place to be announced later.
